

Levata di Grontardo (Cr), November 2017

Subject: Palm oil free production

Esteemed Customer,

According to my role of quality manager, I declare that in the Glutens factory, the use of Palm oil and ingredients which contains palm oil is not allowed.

Based on the factory's policy and according to the "Vegan OK" regulation, Glutens and Joyens products don't contain any kind of raw material palm oil- based.

Kind regards,
Sincerely,
Dott.ssa Matilde Biolchi
